**Subject:** 2021 GIW Review

Hello Geoffrey,

We are sending you the GIW along with blank change form as we have no changes.

We worked with a couple of our subrecipients who had asked about correcting unit configurations, FMR/Actual Rent and requesting additional award dollars for their projects and in reading the GIW instructions through HUD, determined that the requests were considered minor changes and the GIW should not be changed.

Please let us know if you have any questions.

Thank you in advance
