- 3.4 Bid Acceptance Period:** The acceptance period is the number of calendar days available to the HACR for awarding a contract from the date specified in this solicitation for receipt of bids. The HACR requires a minimum acceptance period of ninety **90** calendar days. A bid allowing less than HACR's minimum acceptance period will be rejected.
- 3.5 Submission Conditions:** DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Bidders are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to HACR by the bidder, such may invalidate that bid. If, after accepting such a bid, HACR decides that any such entry has not changed the intent of the bid that HACR intended to receive, the HACR may accept the bid and the bid shall be considered by HACR as if those additional marks, notations, or requirements were not entered on such. By accessing the noted Internet Site, registering, and downloading these documents, each prospective bidder that does so is thereby agreeing to confirm all notices that HACR delivers to him/her as

**REQUEST FOR PROPOSAL (RFP) NO. 2024-010
HVAC MAINTENANCE AND SERVICE PROJECT AT DESERT ROSE APARTMENTS**

instructed, and by submitting a bid/proposal, the bidder is thereby agreeing to abide by all terms and conditions published herein and by amendment pertaining to this RFP.

- 3.6 Submission Responsibilities:** It shall be the responsibility of each bidder to be aware of and to abide by all dates, times, conditions, requirements, and specifications set forth within all applicable documents issued by HACR, those listed in the attachments section, and any amendments and required attachments submitted by the bidder. By virtue of completing, signing, and submitting the bid/proposal documents, the bidder is stating their agreement to comply with all conditions and requirements as set forth. Notice from the bidder previously not authorized in writing by HACR to exclude any requirement(s), may cause that bidder to not be considered for award.
- 3.7 Bidder's Responsibilities; Contact With HACR:** It is the responsibility of the bidder to address all communication and correspondence pertaining to this RFP process to the CO/HACR Representative only. Bidders must not make inquiry or communicate with any other HACR staff member or official (including members of the Board of Commissioners) pertaining to this RFP. Failure to abide by this requirement may be cause for HACR to not consider a bid submittal received from any bidder who may has not abided by this directive.
- 3.8 Responsibility for Subcontractors:** All requirements for the "Prime" contractor shall also apply to all subcontractors. It is the Prime Contractors' responsibility to ensure the compliance of the subcontractors. Regardless of subcontracting, the Prime Contractor remains liable to HACR for the performance under this RFP or any resulting contract.
- 3.9 Request For Proposal (RFP) Amendments:** If this solicitation is amended, then all terms and conditions which are not modified remain unchanged. Bidders shall acknowledge receipt of any amendment to this solicitation by signing and returning the amendment, by identifying the amendment number and date on the bid form by email, letter, or facsimile. HACR must receive acknowledgement by the time and at the place specified for receipt of bids. Bids/Proposals which fail to acknowledge the bidder's receipt of any amendment will result in the rejection of the bid if the amendment(s) contained information which substantively changed HACR's requirements. Amendments will be on file in the offices of HACR and at least **seven 7 days** prior to bid opening. All questions and requests for information must be addressed in writing to the CO/HACR Representative. The CO/HACR Representative will respond to all such inquiries in writing by amendment to all prospective bidders (i.e., firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the CO/HACR Representative will NOT conduct any *ex parte* (a substantive conversation, "substantive" meaning, when decisions pertaining to the RFP are made between HACR and a prospective bidder when other prospective bidders are not present) conversations that may give one prospective bidder an advantage over other prospective bidders. This does not mean that prospective bidders may not call the CO/HACR Representative, it simply means that other than making replies to direct the prospective bidder where the answer has already been issued within the bid documents, the CO/HACR Representative may not respond to the prospective bidder's inquiries but will direct them to submit the inquiry in writing so that the CO/HACR Representative may more fairly respond to all prospective bidders in writing by amendment, if needed.
- 3.10 Pre-bid Conference (Job Walk):** The scheduled pre-bid conference is mandatory.

**REQUEST FOR PROPOSAL (RFP) NO. 2024-010
HVAC MAINTENANCE AND SERVICE PROJECT AT DESERT ROSE APARTMENTS**

3.11 Typically, such conferences last 1 hour or less, though not guaranteed. The purpose this conference is to give prospective bidders a fuller understanding of the job so that the bidder feels confident in submitting an appropriate bid. HACR **will not** distribute any copies of the RFP documents at the job walk.

4.0 BID/PROPSAL EVALUATION:

4.1 Public Opening: At the set date and time, all bids received will be opened and publicly read aloud by the CO/HACR Representative, including the company name of the bidder and the total calculated costs proposed. At the bid opening HACR will only disclose the following information: (a) The company name of each bidder; (b) the calculated total amount bid; and (c) the identity of the apparent lowest bidder. A copy of the bid tabulation or recap recorded will be made available to each member of the public attending such opening and to anyone who requests such afterwards. The bids will not be made available for inspection by anyone at this time; HACR will, at a later time, review all bids in detail and will notify all bidders of any bidder that is, as a result of the more detailed inspection of bids submitted, ruled to be non-responsive or not responsible. HACR reserves the right to, “waive informalities and minor irregularities” in the offers received.

4.1.1 Ties: In the case of bids, the award shall be decided by “drawing lots or other random means of selection.”

4.2 Responsive Evaluation: After the public opening the “hard copy” bid submittals received will be evaluated in private for responsiveness (i.e., meets the minimum requirements). Firms not meeting the minimums and are deemed to be non-responsive, will be notified of such in writing by HACR in a timely manner.

4.3 Responsible Evaluation: HACR will evaluate the apparent lowest responsive bidder to ensure that he/she is responsible (i.e., a firm that is qualified, responsible, and able to provide to the HACR the required services). If HACR ascertains that such firm has the required ability, capability, experience, knowledge, licensing, insurance, and resources to complete the required work, HACR may proceed with a notice of intent to award. If HACR determines that a firm is deemed to be not responsible, the firm will be notified of such in writing by HACR in a timely manner and bidder may request further information and a hearing. HACR will proceed with Responsive and Responsible Evaluations with the next lowest bidder, in its sole discretion.

4.3.1 Contractor’s Responsibility: A bidder must first be considered responsive before it is examined for responsibility. A responsible Contractor must:

- Have adequate financial resources to perform the contract, or the ability to obtain them;

4.3.2 Acceptable Evidence of Responsibility: The HACR reserves the right to request additional information or require oral presentation in order to determine the Contractor's responsibility. Failure to provide adequate documentation within the specified time period will result in the Bidder to be determined non-responsive. Additional steps or information may include:

- Copy of financial statements, credit bureau reports, copy of lines of credit and/or account balances with the financial institutions or a breakdown of his/her costs.
- Copy of any business audits or reports.

To be eligible to file a protest with the HACR pertaining to an RFP or contract, the alleged aggrieved protestant must have been involved in the RFP process in some manner as a prospective bidder (i.e. registered and received the RFP documents) when the alleged situation occurred. The alleged aggrieved protestant must file, in writing, to HACR the exact reason for the protest, attaching any supportive data. The protestant must state within the written protest document specifically (not by inference) what action by HACR or condition is being protested as inequitable, making, where appropriate specific reference to the RFP documents issued and including the specific citation of law, rule, regulation, or procedure upon which the protest is based. 5.1 Lowest Responsive and Responsible Bidder: Award of an RFP is made to the responsive and responsible bidder that submits the lowest cost; in this case, the lowest calculated cost.

5.1.1 Basis for Determining Lowest Bid: The lowest bid shall be the lowest total of the base bid amounts on the base contract.

5.2 Contract Award Procedure: If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:

5.2.1 By completing, executing, and submitting the Form of Bid, Attachment A, the bidder is thereby agreeing to "abide by all terms and conditions pertaining to this RFP as issued by HACR". Accordingly, HACR has no responsibility to conduct any negotiations pertaining to the future contract after the submittal deadline.

5.2.2 Depending on the amount of the award (typically for amounts greater than \$75,000), HACR will forward the Construction/Maintenance Contract to the HACR Board of Directors (Board) for approval prior to signing the contract with the lowest responsive and responsible bidder.

5.2.3 The contract shall be awarded upon a resolution or minute order to that effect duly adopted by the HACR Board in their sole and absolute discretion. Execution of the contract documents shall constitute a written memorial thereof.

5.3 Contract Conditions: The following provisions are considered mandatory conditions of any contract award made by HACR pursuant to this RFP:

5.3.1 Contract Form: By responding to this RFP and submitting a bid, the successful bidder acknowledges and agrees that HACR will only execute agreements prepared by HACR which are substantially approved as to form and substance by its legal counsel. HACR WILL NOT execute the successful bidder's contract form. Any bidder that does not feel the listed contract clauses or specifications

5.3.2 Assignment of Personnel: HACR shall retain the right to demand and receive a change in personnel assigned to the work if HACR believes that such change is in its best interests and the completion of the contracted work.

5.4 Contract Period (Time of Completion): The successful bidder agrees to commence work no later than five (5) calendar days after the commencement date specified in the **Notice to Proceed (NTP)** and to fully complete the project within **thirty (30) calendar days**.

5.6.1 Liquidated Damages: If the Contractor fails to complete the work within the time specified in the contract, or any extension, as specified in the clause entitled Default of this contract, the Contractor shall pay to the Owner as liquidated damages, the sum of **\$300.00** for each day of delay.

5.6.2 HACR may withhold issuance of the NTP for a period not to exceed **ninety (90) calendar days** after the Construction Contract is executed.

5.6.3 Time of the Essence: Time is of the essence as to each provision in which a timeframe for performance is provided in this RFP. Failure to meet these timeframes may be considered a material breach, and HACR may pursue compensatory and/or liquidated damages under the contract.

5.7 Execution of Work: All work is to be performed by qualified, competent trained personnel. The contractor is to be licensed and responsible for providing supervision of the work by appropriately identified personnel. HACR may require the contractor to remove from the work such employees as the local authority deems incompetent, careless, insubordinate, or otherwise objectionable, or whose continued employment on the work is deemed by HACR to be contrary to the public interest. The contractor shall ensure full cooperation of all workers and suppliers and shall be confined to this work only. The contractor and his personnel shall respect the rights of tenants in the surrounding dwellings where work is being performed. The office hours for all locations of the HACR are 8:00 am – 5:00 pm Monday through Friday, or as otherwise specified in the Scope of Work. The contractor's working hours may vary depending upon the type of work being performed. Contractor may work longer hours if approved in advance by HACR.

5.8 Warranty: All items installed/provided under any contract resulting from this RFP must include a minimum of a one (1) year warranty on parts and (1) one year warranty on labor; from the Contractor for labor, materials, and installation except as specified otherwise herein. Future effective prevailing wage rates which have been predetermined and are on file with the California Department of Industrial Relations, are referenced but not printed in the general prevailing wage rates.

The Federal minimum wage rate requirements, as predetermined by the Secretary of Labor, are set forth in the books issued for bidding purposes, referred to herein as Project Bid Documents (Special Federal Provisions), and in copies of this book which may be examined at the office described above where the project plans, special provisions, and proposal forms may be seen. Addenda to modify the minimum wage rates, if necessary, will be issued to holders of the Project Bid Documents.
